

L'Shanah Tova!

The **Community Educators Committee** began as one of the six working groups of Kehilla's 2021 Arc of Change initiative-- a racial justice program. Community Educators collectively challenge white supremacy behaviors in ourselves, consistently learn together about racism and antiracist communication and actions, as well as support racial justice practices at Kehilla. Equally important, we initiate and engage in activities to support BIPOC and to help uproot white supremacy at Kehilla.

This year we have volunteered as Greeters at Kehilla services, supported the JOC Hanukah party, sponsored a Kiddush for the Learner's Shabbat, coordinated tours of Oakland's African American Museum and Library, and led an experiential playshop at the summer retreat. We have big plans for the future and warmly invite you to join us! Go to bit.ly/JoinCommunityEducators or use the QR code to get started.
