

*"I will answer YHVH and care for them. I am like a flourishing juniper. Adapted from Hosea 14:4-9.*

# Sacred Land Committee

*Our vision is to bring the unceded land of the Lisjan Ohlone people on which Kehilla rests, into harmony with Indigenous and Jewish values.*

*Our intention is to landscape the outside spaces to reflect the values of an ecosystem connected and integrated with the land and its spirit.*

We meet twice a month:  
the first Sunday at 9:30-10:30 am on  
Zoom;  
the third Friday from 12 to 3 pm  
IN-PERSON in Kehilla's courtyard

If you enjoy gardening  
with a vision of  
environmental integrity,  
we invite you to join us!
