

WHITE FOLX DECENTERING WHITENESS Affinity Group!

Any folks who identify as white, we'd love to have you, whether you've ever been to these meetings before or not!

Penny Rosenwasser and Maria Lewis co-facilitate this group which meets monthly on zoom.

We work on:

- *de-centering whiteness at Kehilla and in the world, so that Kehilla is a more welcoming synagogue for people of color.*
- *becoming more aware of our own racism in order to dismantle it.*

At our meetings, we:

- *share feelings and build skills through experiential exercises*
- *discuss homework articles and videos, which are encouraged-but not mandatory, to sharpen our understanding and analysis.*

These activities help us learn, grow, and build community together, in our work to uproot white supremacy.

To get on our list, email us at wfdwhitenesscontact@kehillasynagogue.org. Hope to see you soon!
